The deadline for submission of withdrawals will be the 7th of the last month of any calendar quarter, in cases where the 7th falls on a holiday or weekend the deadline will be the preceding working day.

3. Terms and conditions

3.1 Transaction cut-off times

- Please make sure you send us your completed instruction (including supporting documents) before the trading closing time. Your transaction will be priced using the ruling price of the fund for the day the transaction is processed.

3.2 Ownership, information security and instructions

- The legal owner of the investment is the person in whose name the investment is registered, regardless of who the payer is. If the legal owner is a minor, we will only accept instructions from their legal guardian. We will only release information to, and act on instructions from, the investor, the authorised signatory or the appointed financial intermediary.
- We can only process your instructions once we have received the correct and accurately completed form and required supporting documents. If an instruction is issued incorrectly, is unclear, incomplete, or if the supporting documents are not received by the cut-off time, the transaction may be delayed. Bifm Unit Trusts will not be liable for any ensuing losses.
- We permit ring-fencing for large disinvestments as per international best practice. Ring-fencing is the separation of assets and the delayed sale of units in a unit trust fund, in the event of a large sale of units within the fund, subject to certain conditions. This ensures that the sale of a large number of units will not force us to sell the underlying investments at a price in the market which could have a negative impact on other investors. We may delay paying the proceeds of the sale of units. If your disinvestment instruction is affected by this ring-fencing, the payment and the value of your withdrawal could be impacted. In the event of this, we will contact you to discuss the process, where applicable.

3.2.1 Electronic Signatures:

Each party agrees that the electronic signatures of the Client included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Delivery of a copy of this Agreement or any other document contemplated hereby bearing an original or electronic signature by facsimile transmission, by electronic mail in "portable document format" ("pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing an original or electronic signature.

Bifm Unit Trusts shall be liable hereunder only for its own gross negligence, willful misconduct or bad faith. The Client agrees to indemnify Bifm Unit Trusts and save it harmless against any and all liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted by the Bifm Unit Trusts from use of the Client's electronic signature, except as a result of Bifm Unit Trusts' gross negligence, willful misconduct or bad faith.

3.3 Conflict of interest

- All actual and potential Conflicts of Interest are managed, reported and disclosed in line with the Managers Conflicts of Interest Policy.

3.4 Unclaimed assets and how they affect you

- An unclaimed asset is any unit trust investment on which there have been no transactions for ten years, or in the case of a deceased estate, more than three years have passed since we have received the notice of death. Our policy is to continue reinvesting all income distributions (interest) until the unit trust is sold, regardless of the time frame.
- We follow a process of tracing investors or beneficiaries on any unclaimed assets. Any reasonable administrative costs incurred to trace the investor may be recovered from the value of the portfolio, thereby reducing the value of your investment. Tracing will cease where the value of the unit trust investment is less than P1000 and the costs of tracing exceeds the benefit of tracing.
- Please note that to prevent your investment becoming an unclaimed asset, it is your responsibility to inform us of any change in your personal information.

3.5 Update your personal details

It is your responsibility to keep us informed of any changes in your banking details, personal information or current identification information (e.g. change of address, change of surname and contact details). If any of your details have changed, you will need to complete a Update Investor Details form available from www.bifm.co.bw

3.6 Making changes to your investment

Unit trusts are a flexible investment option, which means that you can make changes to your investment as your personal circumstances change. This means you can change your fund selection, disinvest some or all of your units (after the 1 year lock-in period has lapsed), and make additional investments. As changes to your investment could impact your original investment goals, please speak to your financial adviser or broker/ sales consultant.
